

TechMontreal.com

Networking Event • November 6th • La Tulipe Noire

Come out and join Montreal's Top Tech Talent - With Guest Presenter "Lynda Goldman"

" How to Make a Million Dollar First Impression"

<http://www.impressforsuccess.com/>

"First impressions count at the job interview and when you're meeting clients. Find out how you can make a great first impression so you get the client or job you want. Lynda Goldman, business image and etiquette expert and author of "How to Make a Million Dollar First Impression" will give tips and techniques on how to feel confident and project a professional image in any business situation. Get some cool networking tips as well! Lynda will also be on hand to sign copies of her book."

TechMontreal is an association of high-technology professionals who meet regularly to remain current with technology developments and industry trends, and to broaden their employment opportunities.

We would like to invite you to meet with us personally in a casual after work setting, so you can:

- expand your professional network
- meet and join a high-quality talent pool
- keep your IT knowledge current
- market your products and services
- end your day on a high note!
